INTRODUCING PREMIER NXT GEN

Premier NXT GEN is an exciting new entry-level percussion sub-brand from Premier, created to inspire musical exploration and learning, making them perfect for beginners, students, and anyone eager to start their musical journey.

Premier
NXT GEN

For over 100 years, Premier has built and upheld its reputation as a trusted name in the world of percussion.

Now, with Premier NXT GEN, we continue this legacy by offering an exciting and comprehensive range of musical instruments designed for ease of play and exceptional value.

Premier NXT GEN is dedicated to making music education both enjoyable and accessible for all ages, transforming the process of learning an instrument into a fun and engaging experience, no matter your skill level or age.

MARCHING

Premier NXT GEN offers a diverse range of marching drums - traditional, drum corps, and high-tension - ideal for Scouts, Training Corps, Cadet Forces, and Showbands. Each drum includes a carrier and sticks/beaters for immediate play. Whether you need a single drum or a full set, Premier NXT GEN has you covered, with additional options like marching bells, lyras, and maces also available.

ORCHESTRAL

Premier NXT GEN orchestral percussion is perfect for orchestras, community bands, and school music programmes with budget considerations. The range includes glockenspiels, marimbas, bass drums, timpani, chimes, and more, offering a cost-effective solution that delivers exceptional value and quality for any ensemble.

EDUCATIONAL

Premier NXT GEN educational percussion is an excellent choice for schools and teachers. This range offers classroom packages containing everything you need to teach rhythms in music. Whether it's xylophones, glockenspiels, marimbas, hand drums, metallophones, bongos, congas, or djembes - Premier NXT GEN instruments are a great way to introduce younger players to the basics of percussion.
